The Iowa Association of Business and Industry takes pride in its role as the voice of Iowa's business community. Our goal is to foster a pro-business climate in our state by supporting legislation and regulation that will ensure Iowa companies are able to thrive while also attracting new businesses to our state.

Each year, hundreds of representatives from our member companies help shape ABI's Legislative Priorities and create ABI's Policy Handbook, which helps guide our work at the Statehouse.

PUBLIC POLICY PREMIER EVENTS

ABI's public policy events bring together business leaders, policymakers, and stakeholders from across Iowa to discuss key issues affecting industry. These gatherings—ranging from statewide briefings and annual receptions to regional meetings and committee sessions—provide valuable opportunities to hear updates on legislative activity, engage directly with elected officials, and influence policy priorities.

QUESTIONS?

The Iowa Association of Business and Industry (ABI) has been the organization for business and industry in the state of Iowa since 1903. ABI's events and programs span all counties and industries with a reach of more than 330,000 employees.

Event and program sponsorships let you associate your brand and offerings with ABI's network to:

- **Broaden visibility** and reinforce your image among Iowa's business leaders
- **Engage** with other professionals and establish important relationships
- **Support** current and future business leaders

As a reminder, your gifts and/or donations to ABI's Foundation, which is organized as a 501(c)(3) may be a tax-deductible charitable contribution. ABI Foundation program student scholarship information is also available upon request.
