

# COVID-19

**Mobile Testing Center** - The Iowa Clinic will be offering testing for novel coronavirus (COVID-19) through a Mobile Testing Center for our patients who have been triaged and determined to need testing. This is taking place at the main office located at 5950 University Avenue in West Des Moines.

- Monday – Friday: 8am-4pm
- Saturday – Sunday: 8am – 2pm

Patients **MUST** schedule an appointment by calling 515.875.9268 (7:30am – 4:30pm Monday-Friday). It's important to note, patients can **NOT** show up and be tested.

Patients will be asked a series of screening questions. After it has been determined a patient is appropriate for testing, the appointment will be scheduled. Prior to arriving, patients **MUST** complete the check-in process sent via email or text.

After appointment is scheduled and check-in complete, patients should:

- Arrive at the clinic at their scheduled time.
- Enter on the west side of the building (off of 60th Street) and proceed **IN THEIR CAR**, to the testing site which will be located on the south side near Urgent Care.
- **STAY IN THEIR CAR**. A medical professional will meet them at their car to complete their testing at their scheduled time.
- Be prepared to show identification.
